

Village of Shelby Planning Commission
April 2016 Meeting
Shelby Village Hall
April 19, 2016

Present: Chairman Rich Setlak, Wallace Martin, Gary MacLean, Mark Baker, Chelsea Stratil and Kathy Martin

Absent: Ben Michalko, Tim Horton, Kris Burns, Paul Inglis

Meeting called to order at 7:12 P.M. Roll call was taken. All rose for the Pledge of Allegiance. Minutes stand as read.

Old Business: Phil Carter has torn down the old house out of town on his property to get the land ready for the house in Shelby that he will be moving later this year. The hearing for the ambulance variance will be held on Monday. The Rail Trail is about completed and the discussion of adopting a spot on the rail trail was brought up again. The Village Chamber has brought this up in their meetings so it is something several people are talking about.

New Business: Chelsea Stratil brought information that she had about what we can do with the run down areas in town and the vandalism that is being done by both young and old residents. People from CEDAM (Community Economic Development Association of Michigan) will be visiting our village to see what can be done in our village and the different programs that are out there to work with. After they are here and give their input and recommendations, there will be various meetings in town both with the residents and with people on the various committees to hear their concerns and then try to put a plan together. On June 18th Chelsea is hoping to get approval for a Shelby Summer Kickoff for the youth to learn about the different things that happen in town and what is involved in running a village. Participation from the Fire Department, Police Department and the Village DPW are some of the organizations that will be involved. There will be many other activities and games going on and also some food vendors. This will be an all day event and hopefully into the evening with karaoke and a beer tent for adults. This will all go together with the meeting with CEDAM and getting more positive outcome in the village. We will know by our next meeting if the Shelby Summer Kickoff was approved and more details on it.

Motion by Mark Baker and seconded by Gary MacLean to adjourn the meeting. Motion passed unanimously and meeting was adjourned at 8:00 P.M.

Respectfully Submitted,
Kathy Martin
