

Village of Shelby Planning Commission
June 2016 Meeting
Shelby Village Hall
June 21, 2016

Present: Chairman Rich Setlak, Wallace Martin, Mark Baker, Kris Burns, Ben Michalko, Paul Inglis and Kathy Martin

Absent: Gary MacLean, Tim Horton and Chelsea Stratil

Meeting was called to order at 7:06 P.M. Roll call was taken. All rose for the Pledge of Allegiance. Minutes were corrected to read Phil Carter has torn down the old house at the North end of town instead of out of town.

Minutes stand as corrected.

Old Business: Discussion about the meeting with the CEDAM people. There is grant money available to help with the blight areas in town. Talk of needing to have the ordinances enforced and other concerns about areas in town that need redevelopment. We all feel that people need a reason to come to Shelby . We need to have some kind of identity for the town. There may be grant money to help tear down the Frost house on the south end of town, but there needs to be plans for the land before tear down. The Shelby Summer Kickoff went fairly good but there needs to be some changes if it is continued. Discussion about the Rail Trail and maybe having a slogan for it. Ben Michalko came up with "It's more than exercise - it's a journey."

New Business: Might be nice to recognize the citizens or businesses in town when they make good improvements or changes to their homes or businesses. The Relay for Life is June 24 at the Shelby High School Football field.

Motion by Paul Inglis and seconded by Mark Baker to adjourn the meeting. Motion passed unanimously and meeting was adjourned at 7:50 P.M.

Respectfully Submitted,

Kathy Martin
